Season: 2026. Port fees, anchorages, and tourist taxes are to be paid on spot (in cash), according to actual costs in ports/anchors. The total cost per week depends on the selected itinerary/port costs. It is not obligatory for the gulet to be in the port each night. It can also be anchored, which lowers the mooring fees (approximate cost is 1,300 € - 1,500 €/week). In the case of the large consumption of water or fuel during the cruise, the gulet should go to the port to refill.
